ABOUT US

TIECPL is a leading solar energy solution provider and solar power system – design and installation – company that specializes in a plethora of solar powered energy solutions. Our mission is to ensure that solar energy becomes an affordable source even for the masses by tightly managing our own costs so that the savings pass on to you – our valued customers.

Techgenics Insight Engineering & Consulting Pvt. Ltd., an ISO 9001:2015 accredited company, was established in 2018. Initially offering services in Design, Planning, Analysis, testing of materials, the Company expanded its operations globally as a leading industrial consultant. . Today, it provides integrated state-of-the-art technical assistance and engineering consultancy solutions for the manufacturing, Industrial Automation, Industrial Engineering and Facility, Energy Efficiency.

OUR MISSION

Our mission is to accelerate the adoption of solar energy by delivering innovative and cost-effective solutions tailored to meet the unique needs of each client. We strive to make solar power accessible to all, paving the way for a cleaner, greener future.

OUR EXPERTISE

1. **Expertise:** Our team comprises highly skilled engineers and technicians with extensive experience in the solar industry. We bring a wealth of knowledge and technical expertise to every project we undertake.
2. **Custom Solutions:** We understand that every project is unique. That's why we work closely with our clients to develop customized solar solutions that address their specific requirements and objectives.
3. **Quality Assurance:** We are committed to delivering the highest quality workmanship and using only premium-grade components in all our installations. Our stringent quality assurance processes ensure that every system we install meets the highest standards of performance and reliability.
4. **Customer Satisfaction:** At TIECPL, customer satisfaction is our top priority. We strive to exceed our clients' expectations at every step of the process, from initial consultation to post-installation support.

OUR SERVICES

SOLAR RESIDENTIAL | COMMERCIAL | INDUSTRIAL

GROUND MOUNTED SOLAR SOLUTIONS

we specialize in the design, installation, and commissioning of ground-mounted solar systems tailored to meet your specific needs and requirements. Our team of experts will work closely with you to develop a customized solar solution that maximizes energy production, minimizes environmental impact, and delivers long-term cost savings. Contact us today to learn more about how ground-mounted solar systems can benefit your home or business.

ROOF-MOUNTED SOLAR SOLUTIONS

we specialize in the design, installation, and commissioning of ground-mounted solar systems tailored to meet your specific needs and requirements. Our team of experts will work closely with you to develop a customized solar solution that maximizes energy production, minimizes environmental impact, and delivers long-term cost savings. Contact us today to learn more about how ground-mounted solar systems can benefit your home or business.

SOLAR OPERATIONS & MAINTENANCE

TIECPL offers a wide range of services based on your plant's sourcing strategy, infrastructure and degree of expertise in the solar energy spectrum. Our team of experts operate and maintain solar power systems by providing time-to-time report on solar power generation. We also possess expertise in project commissioning along with devising mechanisms to retrieve and manage solar power generation data to enhance our OPERATIONS & MAINTENANCE services.

Our Maintenance activities ensure minimized downtime, reduced equipment failure, and protection of asset value.

SOLAR EPC SERVICES

TIECPL specializes in providing comprehensive Solar Engineering, Procurement, and Construction (EPC) services to clients seeking reliable and sustainable solar energy solutions. With a focus on innovation, quality, and customer satisfaction, we offer end-to-end support for solar projects of all sizes and complexities.
